ATLANTIC CITY, June 9.—Considerable interest in the first annual festival and water carnival which will be held at the Shoot the Chutes Park the week of July 2, and the outlook is bright for one of the biggest entertainment features that the resort has ever seen.

The park has been inclosed by a new fence and cleaned, and is now ready for the erection of the various tents and buildings which will quarter the attractions to be installed. There will be a big "Midway" through the center of the park, and the various amusements will face on this. There will also be a public square, and in this will be stationed a big military band, which will play day and evening.

Granddaughter of King.

Mme. Antoinette Frabassili, who is a niece of Napoleon III and a granddaughter of the last King of Holland, has been spending the week at the Hotel Chalfonte. She is accompanied by her husband, who gave up the title of duke in Italy to come to America and become a citizen of the United States. Both are accomplished in foreign languages and have a school in New York. They are both deeply interested in the success of the International Free Scholarship Association, which held its first annual convention in this city last week, and are giving a good deal of their time and talents to worthy young people who wanted to become linguists but had not the money with which to pursue their desired studies.
